

CURRICULUM VITAE

JEAN PAUL NOHRA

Graphic Designer & 2D Animator

I am a graphic Designer & 2D Animator with a strong passion for pushing creative ideas beyond their limits. Thrives on finding innovative solutions, never settling for the first concept, and always aiming for originality and impact.

Organized and responsible, excels at multitasking and delivering projects with professionalism and attention to detail, while leaving a positive footprint that contributes to the growth and sustainability of the company.

Creativity, fun, and positivity guide the approach, fostering an enjoyable and productive atmosphere wherever work takes place. Excited to bring these skills and energy to Isthmus and contribute to creative projects.
